

# Storied Amusement Park Elitch Gardens Delights Guests and Keeps Them Safe with the Evolv Express®

## Snapshot of Organization

	LOCATION	NUMBER OF GUESTS ANNUALLY	SOLUTIONS
	Denver, CO	Approximately 4 Million	<ul style="list-style-type: none"><li>• 1 Evolv Express® Dual-Lane System</li><li>• Evolv Cortex AI™</li><li>• Evolv Insights®</li></ul>

## Goals

Eliminate lengthy lines in front of 10 walkthrough metal detectors at the park entrance

Scale to accommodate influxes (“waves”) of incoming guests

Transform negative guest entrance experiences

Eliminate the need for third-party security staffing firm

Reposition portion of security staff at park entrances to other areas

Redesign park entrance by recapturing space used by walkthrough metal detectors

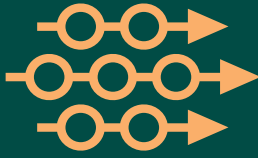

Reduce false positives to streamline the secondary security screening process

## Outcomes

**100% ROI**  
by eliminating the need for third-party staffing firm

**Eliminated**  
10 lengthy entrance security lines

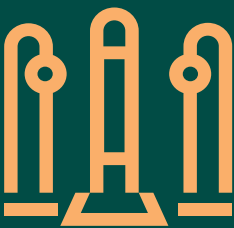

**Reduced**  
security staff at the entrance by 60%—from 10 to 4

**Improved**  
guest experience with touchless security screening

**Reallocated**  
6 security staff to other areas in the park

**Supports**  
both indoor & outdoor use cases
